Practice saying the sound as you write it.

Subtraction: Start with 5 toys (or ten) Sing or play the song 'Five little ducks went out one day" <i>Five little ducks went out one day, over the hill and far away.</i> <i>Mother duck said "Quack, quack, quack" and only 4 little ducks came back</i> Remove one toy and count how many are left? Continue until there are no toys. If you have access watch the clip and work out how many bananas are left. https://www.youtube.com/wat ch?v=KSdVJE05_AE	Subtraction: Start with a song (Ten in the Bed, Five Little Ducks) Use small toys. Count the toys. Take a small group away. How many do you have left? How can we record this? The number we started with was 8 the symbol for take away is – . Write 5 for the number that was taken away. Equals =. The number left was 3. Eg. $8 - 5 = 3$.	Subtraction: Help someone at home hang out a load of washing. You can be the 'Peg Master'. Start with 20 pegs. The hanger must ask you for a number of pegs. You give that number of pegs and count what you have left. Record your numbers out loud by saying, " 20 pegs take away ? pegs equals ? pegs". Do it again. Keep going until you run out of pegs.	Subtraction: Draw a tree with apples in it. The apples have fallen out of the tree. Draw the fallen apples. How many fell out? How many are left in the tree? Record this in a number sentence. Eg: 7 apples in the tree, 3 fell out. 7-3=4 There are 4 left in the tree.	Subtraction: Start with your tens frame. You will need counters or playdoh or buttons or pasta or pebblesanything small you have at home. Fill up your tens frame with your items. Roll the dice and take off the number of items you roll. Record your problem. Eg. $10 - 2 = 8$. Continue this until your tens frame is empty. Eg. $8 - ? = ?$ Too easy? Fill up both tens frames and move backward from 20. Free Choice-Complete worksheet	Tower Building Make a tower with blocks. How high is your tower? Oh no! Part of your tower crashed. How many levels fell off? Draw your tower. Draw the levels that fell off. Record it in a number sentence Challenge: Can you make your tower bigger? Free Choice – Complete worksheet
			Other		
Art – Make a Bowl Paper Mache – 24 hr drying time. 1 x Balloon – halfway up for a bowl. Strips of scrap paper Flour & Water – glue	Build a Cubby HouseBuild your own cubby housesomewhere at home. You coulduse cushions, pillows, blankets,sheets.How can you make it stay up?How big does it need to be foryou to fit inside?Create a comfortable areainside your cubby for you tochill out. You might need atorch in there so you can see?	Games afternoon Play games all afternoon with someone from Image: Comparison of the second se	 PE - Exercise Drills: Rest for 10 seconds between each drill. 10 star jumps Jog on the spot while counting to 10 5 squats 5 sit ups 5 push ups 	Science – Living Things Grow a grassy head in a plastic cup using soil and birdseed. What does it need to grow? Sunlight, water, shelter. Decorate your cup with eyes, nose and mouth.	Play with LEGOIf you do not have lego, youcould use anykind ofbuilding typeblocks orother materials like paper,paddle pop sticks,leaves. Create ashelter or homefor a living thing.This could be atree for bird life, house for afamily, pet house for a dog orcat. Try your best.

Paint &	Definitely some pillows and a blanket. Invite members of your family over to visit.		
brushes or you could use an old sponge to sponge the paint on. Follow this link for more			
detailed instructions if needed. https://teachingideas.ca/2020/ 03/24/paper-mache/			

What is a Family?

As part of the History 'My Family' Unit, all Kindergarten students are asked to find out more about their family and create their own family tree to present in class on return to school. You can create your own family tree like some of the examples or use the template provided. Students can practise with family members and include some of the discussion questions as part of their presentation. All Family Trees will be displayed in the classroom.

Use Lines for Writing

Ten Frames

Maths Sheet – Extra Activity

Extra Resources

Parents if you wish, we have listed extra online resources you may like to use with your child. Some of these are free and some may occur a cost. These are not compulsory, just a suggestion for those families wanting more choice and options.

Decodable Readers

Using a tablet/phone (App based)

An email was sent out to all parents with log in details. If you do not have access to a device pleased let your teacher know. Students need to read daily. They read a book from their list when they sign in. This needs to be independently read before they move onto another book. Please also make sure they are reading fluently before they read the next book.

EPIC Reading

This can be accessed either on an internet browser or as an App on an iPad/tablet. Options for login are below. Use the code to log in and find your child's name. They will be able to access a variety of books – some they can read, audiobooks, picture books and videos.

Using a computer (internet browser)

iOS/Android

ABCYA https://www.abcya.com/ Variety of literacy and maths activities

PBS Kids

https://pbskids.org/ More games linked to characters students may know from television shows.

Reading Eggs https://readingeggs.com.au/

This is a paid website. We do not have access to this at Blackwell.

Phonics hero

https://phonicshero.com/ Based on sounds and reading. There is a 7 day free trial available, otherwise it is a paid service. We do not have access to this at Blackwell.

Education.com https://www.education.com/songs/ Online activities, though your child my need assistance.

Scholastic

https://scholastic.com.au/education/education-home/learn-at-home Activities and resources

These are just suggestions. Your child does not have to access these sites. **Other ideas**

We are all busy working from home. Below is a list of suggestions to help keep your child engaged.

 Write a letter to your teacher. Tell them what you have been doing at home. Draw pictures of your favourite things. Make up a board game Write all of your words on pieces of paper and hide them around the house. Then send your siblings to find them. Make a fort/cubby house 	 Play hide and seek Make pretend money and set up a shop for your toys to visit. Make an object out of recycled material Eg: A pencil tin from paddle pop sticks or a tin can; a wind chime from sticks and shells. Bake something with an adult Water painting – use water and write on concrete (or chalk)
