UNCLE WES MARNE

Sunrise
Sunset

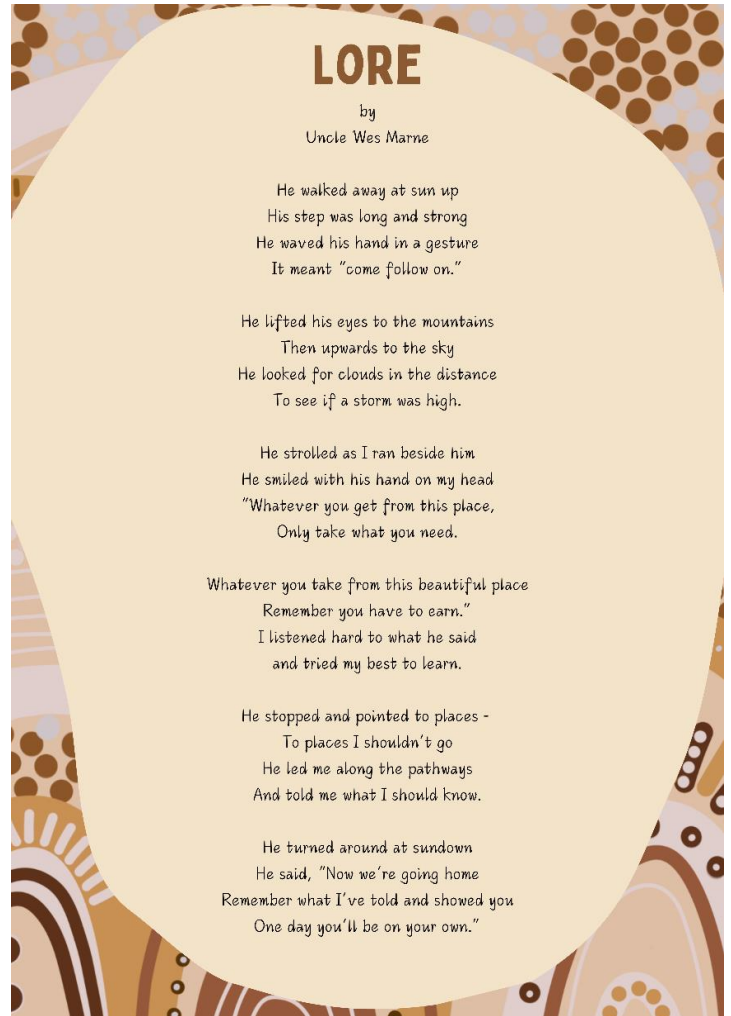

24/04/1922
31/08/2024

Remembering Uncle Wes Marne

Uncle Wes lived in Mt Druitt for over 50 years. Born in Queensland Uncle Wes is a proud Bigambul man. He moved to Mt Druitt in early 1960.

He is a deeply respected Elder, an advocate for Country, treasured member of our community and foremost an educator.

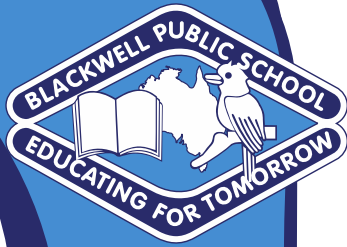

He shared his love of First Nations culture with many of our schools and students. We will miss his presence and wisdom.

Term 3 has provided many students an opportunity to participate in a wide variety of events.

From Performing Arts to Public Speaking and district spelling competitions and more recently sporting events such as Gala days and District Athletics.

These events offer our students a chance to showcase their natural skills and talents but also provide a chance to learn new skills and participate in new experiences.

I wish to congratulate all our students who have accepted the challenge to enter these events.

It requires dedication, resilience and determination by the individual but also the time and expertise of coaches / mentors.

No school can offer these opportunities without a team working behind the scenes. As parents you also provide the chance for students to participate and a special "thank you" for the large majority of our students who continue to demonstrate our expectations of "Good manners, Good learning and Good thinking"

In reflection, a very successful term for Blackwell.

We say farewell to Mr Sinwan at the end of this term as he takes up a new role with the AFL.

Mr Sinwan has been a great asset to the senior classes during his time with us.

We wish him all the best in his future career.

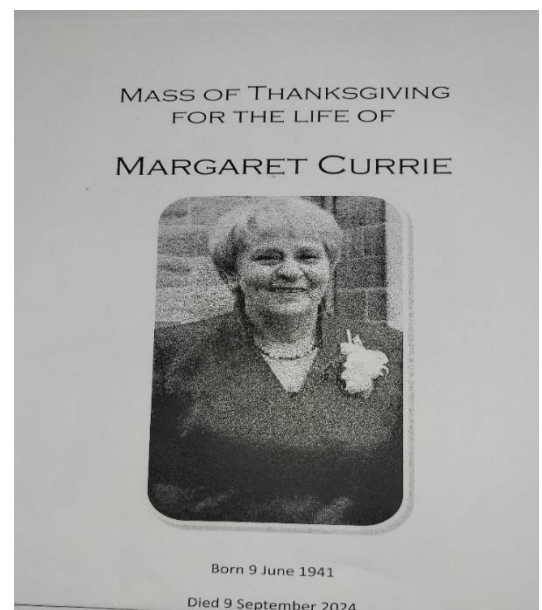

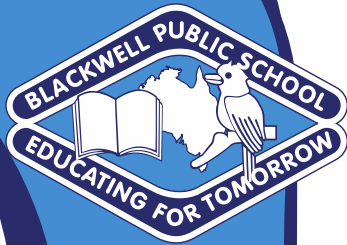

Enjoy your holidays, see you next term.

Deputy Principals Message

St Marys District Athletics Carnival

As celebrated at our whole school assembly last Monday, our representatives at the zone athletics carnival had some magnificent success. We have multiple students moving forward to represent Blackwell and St Marys Zone at the Sydney West Carnival. Congratulations and best of wishes to all our competitors. Your efforts resulted in Blackwell winning the District Carnival. This means Blackwell currently holds the swimming, cross country and athletics trophies for the St Marys District. On a very proud note, all four of our relay teams were successful in winning their event and will compete at the Sydney West Carnival.

Students who made it to the Sydney West Carnival, include:

Harriet A, Ashton B, Emerson C, Mase C, Wynonnah D, Mia E, Mackenzie F, Jayden G, Brady H, Jax J, Max K, Aleka L, Kobee L, Sophie M, Harlie M, Havana O, Mia O, Chevy R, Nephi S, Sahra S, Eva V, Levi W, Khaleesi W

Toys at School

Our teachers have noticed an increase in students bringing their own special toys from home with them to school. Please be aware that our advice is to leave precious items at home where their safety can be guaranteed. The school does not take responsibility for items that are lost, stolen or damaged because of being brought to school. Aside from the upset for students caused by lost, stolen or damaged personal items, the time required to investigate these cases directly impacts teachers' ability to perform their most important role as educators. This goes for soccer balls, footballs and basketballs. Please leave them at home.

We appreciate your support in keeping these items safe at home.

Good attendance is important because:

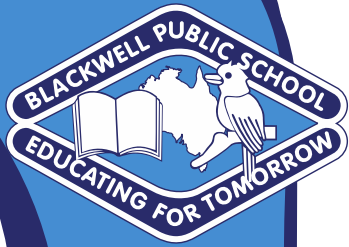

Statistics show that pupils with good attendance have higher attainment in school and studies show that children with attendance above 96% make better progress socially and academically. With the focus and development on the curriculum that has taken place at school then children who are absent will find gaps in their sequential knowledge. For our younger children, both attendance and punctuality are doubly important as they move straight into their phonics groups after the register has been taken. start of the year across the school.

Enjoy your Holidays, see you in Term 4!

APC&I CORNER

APC & I CORNER

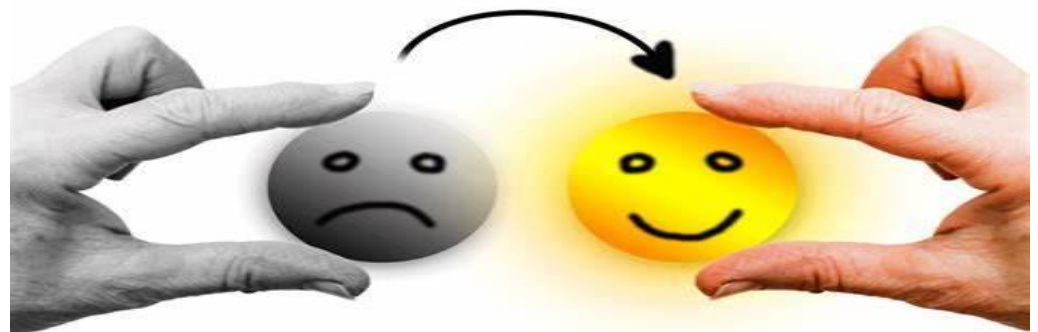

Despite the old saying “Sticks and stones may break my bones, but names will never hurt me”, we know that children can be harmed by adults speaking to and talking about them in negative ways. Children need to hear that the adults in their lives think they are OK. Parents can help children feel good about themselves by the way they speak and the things they say. Hearing positive things helps children feel more confident and helps them try even harder to gain our respect and approval. When adults use helpful and supportive words towards children, the children feel loved, worthwhile and confident.

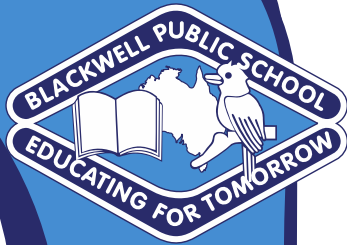

Children who feel loved and valued are more likely to:

- *Be confident to try new things
- * Recognise and be pleased when they do well
- * Value and respect themselves and others
- * Feel hopeful and optimistic about the future
- *Enjoy going to school
- *Take part in sport and other activities
- *Enjoy being healthy

Don't use negative words:

Mostly, when adults use negative words speaking to children, they are actually talking about the behaviours they don't like, not the child. However, the child hears the hurtful words as being about them and this can make them feel bad and worthless. They often show this by behaving badly, but adults may not realise that the bad behaviour is a response to the hurtful words the child heard. A useful way for adults to stop using negative words to children is to consciously separate the child from the child's unacceptable behaviour. The child needs to get the message “I'll always love you, but it is your behaviour we need to talk about”. Children need to know that their adults love them no matter what and that their love does not depend on the child's behaviour.

Be truthful:

It is important for adults to be truthful to children, but do it tactfully, just as we would talk to adults we care about. Children know when they have not done well and do not appreciate it when adults praise bad work.

Use positive, honest comments such as:

- * I'm impressed by how hard you have worked on that.
- * It was lovely to see you so happy while you were doing that.
- * I like the colours you have used.
- * You should be proud of yourself for finishing that. I'm proud of you!

These comments say clearly what it was you liked in the child's behaviour or work. This will help them feel good and be more confident the next time. When children recognise that they can do some things well, they may cope better when things go wrong. If they don't, be understanding and patient. It takes a lot of experience and encouragement for any of us to deal with disappointment. The message we give our kids needs to be that trying as hard as you can is more important than getting it right. "Children see, children do..." Children are experts at watching you closely and copying what you say and do. Be a good example to your child by always speaking respectfully.... Make your influence positive!

SUPPORT UNIT NEWS

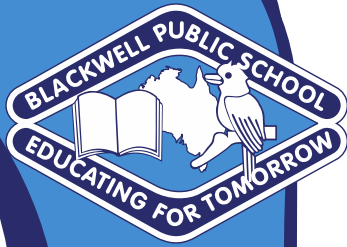

SUPPORT UNIT NEWS

It has been a busy end to term 3.

Students in the Multi Category Classes have been learning songs through sign language, playing drums, using the fixed equipment safely and have participated in 2 mufti days.

MCB and MCM have enjoyed their excursion to Calmsley Hill Farm, where they went on tractor rides and learned all about farm animals. MCD has taken part in an excursion to Lizard Log, where they enjoyed exploring the outdoors and learned about our natural environment.

Housekeeping messages for all Parents/carers

- As the weather is getting warmer, we are finding a lot of jumpers/jackets that have not been labelled with the student's name. Please make sure you put their name in all clothing worn to school for easy identification.
- Water is the preferred drink for your child's drink bottle. All drink bottles are kept within the classroom for easy access and spillages of any other beverages create mess and are difficult to clean up, if spilt during class time.

*Enjoy your Holiday's, we are looking forward to
another busy, but exciting
Term 4 Monday, 14th October 2024*

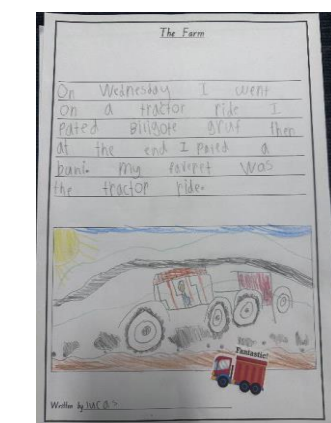

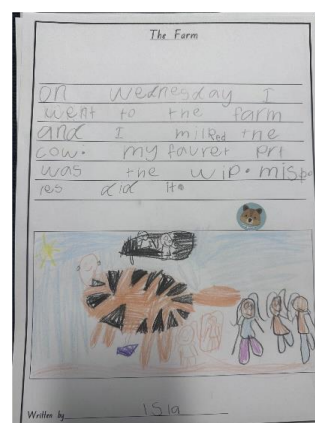

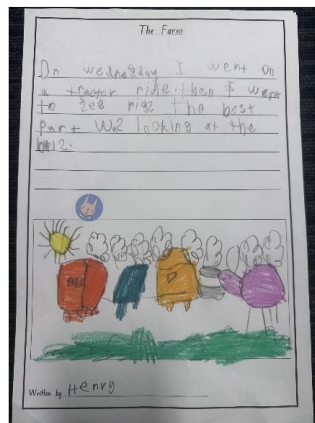

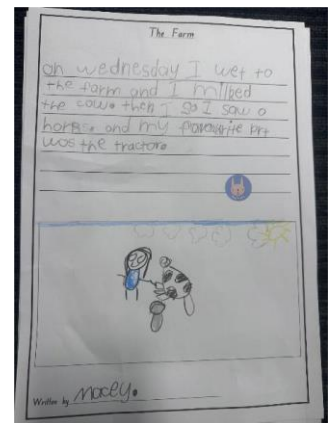

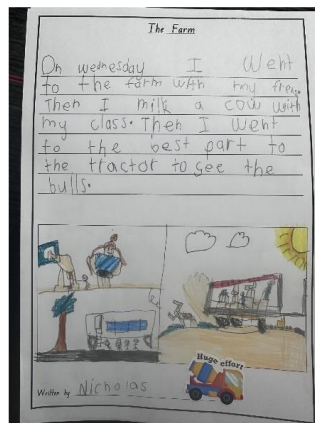

EARLY STAGE 1

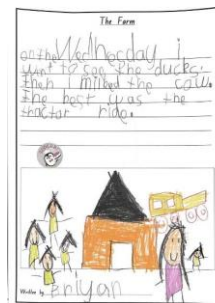

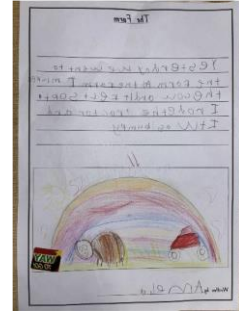

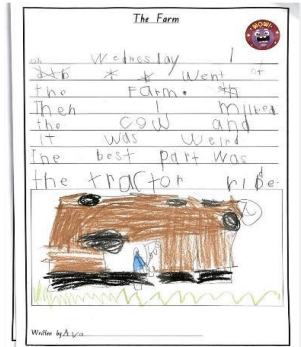

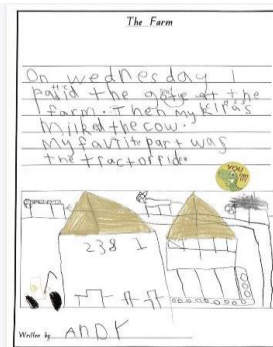

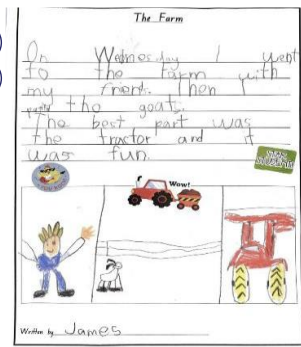

EARLY STAGE 1 NEWS

What a term! We have been busy, and it has gone so fast. The children have been improving their reading and writing and have grown so much this term.

Kindergarten students are looking forward to the Fun mufti Day, which will be held on **Wednesday, 25th September 24**. Students will participate in a variety of fun Olympic sporting activities and can wear either their sports uniform, school house colours or colours of a country they would like to represent on the day. There is no cost involved.

Our farm excursion was a success. What a great day we had. The children asked lots of questions, used their good manners and learnt lots about farm animals. Enjoy the examples of their writing about their day at Calmsley Hill Farm below.

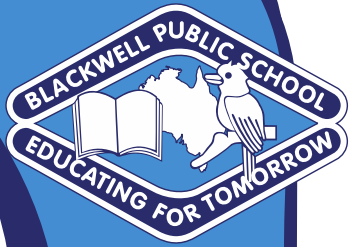

We feel that the students are becoming much more independent. As we fast approach the end of the year, the students are responsible enough to walk themselves to their parent meeting point in the afternoons which is a great achievement as in Term 4 we will begin this routine.

We have spoken to the children, giving them time to be prepared for this change. The children will walk out in their groups together, however there will no longer be a teacher guiding them. We will watch from a distance to ensure they are heading in the right area. Please ensure you are on time, as not to worry your child, especially as their teacher will not be waiting with them. Parents who wait at the front gate, please encourage your child to stay with you when they are waiting for other siblings and not to run around on the grass area.

Thank you for your assistance with home reading this term. A new list will be sent home soon.

Have a nice break, see you when we return on Monday, 14th October 2024 for Term 4.

STAGE 1 NEWS

Stage 1 have continued to thrive in Term 3 with a busy and exciting timetable. The students have embraced new learning opportunities, participated in hands-on activities, and demonstrated their growing independence and curiosity.

During week 6 students enjoyed coming to school in their cozy Pyjamas. Thank you for all your donations as without this event the P&C would not have been able to run our Father's Day store.

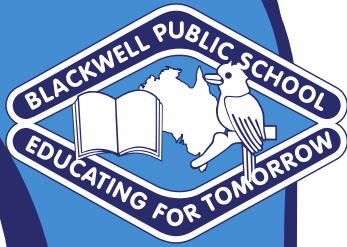

Congratulations to our new Stage 1 SRC and all the students who represented Blackwell Public School at the Longneck Lagoon Leadership excursion. It was a fantastic experience for all. The students displayed excellent manners, thinking and learning as they were provided with an enriching opportunity to develop their leadership skills.

Stage 1 also enjoyed participating in our Green & Gold Mufti Day, where students dressed in Australian colours to celebrate the end of a successful Australian Olympic campaign. This event sparked conversations about teamwork, perseverance and the importance of celebrating national achievements.

Continuing with our Olympic theme students are looking forward to the **K-2 Term 3 Fun Day on Wednesday, 25th of September** which will commemorate the Olympic and Para-Olympic Games. Students will be participating in a range of sports inspired by the Olympic Games.

We are suggesting that students wear sports uniform or colours that represent a country of their choice. A friendly reminder that all students must come to school in enclosed shoes, wear bucket hats and a top that covers their shoulders.

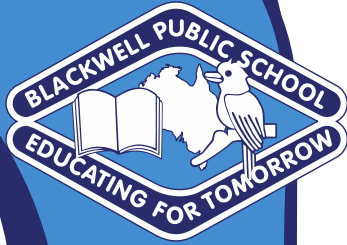

Parents information regarding leave...

If you are planning to take your **child out of school for a holiday of 20 days or more**, please submit an Extended Leave Application to the principal prior to travelling, with documented proof. The Department of Education requires notes to explain all absences. If your child is absent, you will receive a SMS notifying you that your child has been marked absent and you can reply with reasons why. Alternatively, please send a note to school with your child upon returning to school. If your child is absent more than 2 days in a row, please consider obtaining a doctor's certificate to explain the absence, which must state the illness and not just unfit.

If you would like your child's teacher to call you to discuss something, please arrange a time, outside school hours or in their RFF time. Mrs Krensel sharalynne.krensel@det.nsw.edu.au (Stage supervisor) is also available to answer questions and concerns.

*Enjoy your holidays.
See you back in Term 4
Monday, 14th October 24.*

STAGE 2 NEWS

Term 3 – Three Stars to Success

Congratulations to the following students who have collected their '3 Stars to Success' during Term 2. They have worked hard to earn themselves a star for their chart in the follow three areas: -

- Home Reading Sheet – Target 25 books
- Speech – Public Speaking
- Lexia Star Card - 10 sessions

S2A – Michael, Kahlan, Torah, Alexia, Ruhi, Mila, Elizabeth

S2M – Lucille, Christiana, Irina, Mackenzie

S2T – Evie, Zach, Alyce, Max

S2S – Ibrahim, Yusuf, Isabella

S2W – Ellis, Nayla, Hunter

Public Speaking Competition

On Wednesday 11th September our Stage 2 class finalists presented a variety of interesting and informative speeches to their stage, parents and visitors. It was impressive to see students speaking with confidence, voice projection and eye contact. Our first placed students will represent Blackwell PS at the Mt Druitt Minchinbury Public Speaking Competition in Term 4. Congratulations to all the students who participated.

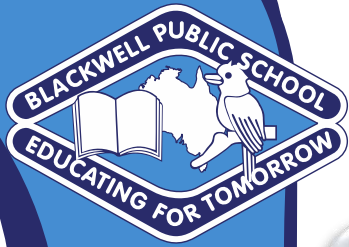

Year 3 Finalist

Marcus (1st Place), Elizabeth (Runner Up), Jaxon, Lucille, Nixon, Risati

Year 4 Finalists

Matthew (1st Place), Ellis (Runner Up), Alyce, Zac, Levi, Torah

**We wish all our families and safe and happy holiday.
See you in Term 4 – Monday, 14th October 2024!**

STAGE 3 NEWS

Congratulations to our new SRC Inductees – we look forward to you sharing your ideas to improve our school and support our community.

Our NSW Netball Cup RED team, Mrs Cummins and Mrs Saia had an outstanding day at Netball Central. They were undefeated after 6 rounds, won the semi-finals and narrowly missed out in the grand final losing by 2 points. They played with heart, passion and displayed great sportsmanship throughout the day.

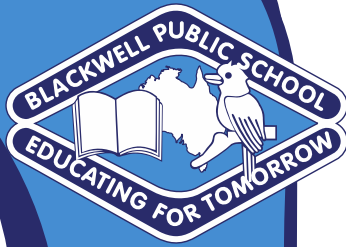

The finals for the Public Speaking Competition were held recently. Congratulations to all students who reached these finals. The Year 5 winner was **Rikuto** and the Year 6 winner was **Emerson**. Our school's representatives will now progress to the Minchinbury/Mt Druitt Public Speaking finals at Hebersham early next term. We wish them luck.

A special congratulations to our **Pasifika Dance** group and Mrs Shortland. They have brought awesome performances to a variety of events and stages over the year. It has been an impressive team effort, and they should be very proud of themselves.

Congratulations to all the Stage 3 students who represented Blackwell at the recent **District Athletics Carnival**. We had many students achieve personal bests as well as many who secured an entry to the Sydney West carnival. A special mention to **Emerson** who was awarded Senior Boy's Champion of the meet. Overall, Blackwell PS finished first. Impressive effort.

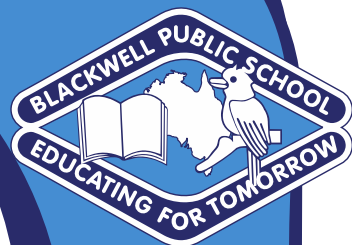

Remember that the final instalment for our **school camp is Wednesday 23rd October 2024**. Payments for camp can be completed based on your family's financial situation. For example – you might like to make weekly or fortnightly payments or perhaps you prefer to pay the amount in one lump sum. It is whatever works best for you. Medical and Dietary notes about camp will be going home during the first week back next term.

It is also important to remind our students and families about behaviour expectations. While on camp, students will be expected to follow reasonable directions and instructions by both teachers and venue staff. Our students will need to demonstrate Blackwell's virtues of responsibility, kindness, respect, tolerance, patience and self-discipline. Camp invitations **will be withdrawn** if students can not follow our school rules and expectations.
